

## ING BankOnLine

ING BankOnLine gives you direct and fast access to your ING Account over the Internet. It is addressed to both individual clients, and small businesses.

**With ING BankOnLine, you can:**

- obtain information on your account balance and account history
- make credit transfers - set up and modify standing orders
- set up the Open Savings Account and term deposits
- pay off the debt on your credit card
- manage ING investment funds
- print transaction confirmations
- top up your mobile phone
- make cheap international transfer orders.

You can do all this **for free** 24 hours a day.
